Business Integrated Account General Terms and Conditions

The Customer agrees to be bound by the following Terms and Conditions:

Section I General Terms

1. Interpretation

- 1.1 Terms and expressions used herein (including the Appendix), unless the context otherwise requires, have the meanings set out in the Appendix I attached hereto.
- 1.2 Unless the context otherwise requires, any reference in these Terms and Conditions to:
 - (a) a "Section," "Sub-Section," "Clause" or "Appendix" shall be construed as a reference to a section, sub-section or clause hereof or an appendix hereto;
 - (b) these Terms and Conditions or any other agreement or document shall be construed as a reference to the same as amended, varied or supplemented from time to time; and
 - (c) a statute shall be construed as a reference to the same as amended or re-enacted from time to time.
- 1.3 Section, Sub-section, Clause and Appendix herein are for ease of reference only.

2. Services and Accounts

- 2.1 The Customer may, subject to such procedures (including the supply of such documents) as the Bank may specify from time to time, utilise any one or more of the Services or open any one or more Accounts at any time by issuing an Instruction in such form as may be acceptable to the Bank.
- 2.2 Unless otherwise specified by the Bank, all Services are provided by, and all Accounts are maintained with, the Bank. Where any Services or Accounts are to be provided by or maintained with any third party, the Customer may be required to accept specific terms and conditions and the provisions of any mandate(s) applicable thereto as required by the third party.
- 2.3 In the event that the Customer has not specified the Account(s) to be credited/debited in order to effect any transaction(s) on the Master Account, the credit/debit will be entered by the Bank in the Savings Account provided that, if the transaction is in foreign currency, entries will be made in the foreign currency Savings Account.
- 2.4 A Customer should ensure that all cheques and other monetary instruments (collectively "Items") deposited with the Bank using any means or channels offered or accepted by the Bank are on the face thereof in order before depositing the same with the Bank, including, without limitation, that they are appropriately dated and signed, with the amounts in both words and figures matched. Where the Customer is required to advise, complete or enter details of the Items when depositing the same with the Bank, the Customer agrees that it is the Customer's sole responsibility to ensure that such details being advised, completed or entered by the Customer are accurate and complete and that the Bank is entitled to rely upon the same in issuing receipts. Such receipts issued shall for all purposes be issued subject to subsequent verification by the Bank in its normal course of business. In the

event of any discrepancy between the receipts and the outcome of the Bank's verification, the outcome of the Bank's verification shall be final and binding on the Customer and the Bank shall be entitled to adjust the Accounts accordingly by debiting or crediting the same as the case may be. All inward remittances, cheques and monetary instruments are accepted for deposit into an Account subject to final payment and the Bank is entitled not to make the proceeds available until they have been cleared. The Bank reserves the right to charge the Accounts concerned with the appropriate amounts if, for whatever reasons, any cheques and monetary instruments shall subsequently be returned unpaid or partially paid or where the remittance amounts are not eventually received.

- 2.5 The Customer as beneficiary of any standing instruction agrees that any credit to an account pursuant to a standing instruction is subject to final payment by the transferor and the Bank reserves the right, and the Customer authorises the Bank, to reverse such credit if the standing instruction is subsequently returned unpaid due to condition of the transferor's account (e.g. insufficient funds in the transferor's account).
- 2.6 Where the Customer has set up a direct debit authorisation on an account and no transaction is performed under such authorisation for a continuous period of 30 months, the Bank reserves the right to cancel the direct debit arrangement without prior notice to the Customer, even though the authorisation has not expired or there is no expiry date for the authorisation.
- 2.7 An inward remittance (whether in Hong Kong dollars or in any other currencies) to an Account may not be credited to the Account on the same day if the related payment advice is not received by the Bank before the relevant cut-off times set by the Bank from time to time. No interest will accrue on any inward remittance before the funds are actually credited into the Account.
- 2.8 The Bank shall be entitled to regard any mandate it holds as being suspended in the event of any dispute between Customers, authorised signatories or directors (where the Customer is a company). In addition, the Bank reserves the right to suspend the operation of all or any accounts of the Customer until such time as the Bank considers appropriate if the Bank is of the opinion or has reason to suspect that:
 - (a) it holds no valid account mandate; or
 - (b) Customer (other than acting in the capacity of a trustee) is not the true owner of the credit balances or other assets held in the account(s).
- 2.9 If the Customer or a shareholder (whether direct or indirect, legal or beneficial) of the Customer is a company incorporated in a country that permits issuance of bearer shares, the Customer confirms and warrants that neither it nor such shareholder has issued any bearer shares and further undertakes that the Customer or such shareholder will notify the Bank promptly if it issues or converts any of its shares to bearer form.
- 2.10 The Bank shall have the right to pay to the Customer any amount withdrawn from an Account by any one or more of the following methods at the Bank's sole discretion, namely:
 - (a) by cash payment in the currency of the Account;
 - (b) by issuing to the Customer a cheque drawn by the Bank on any bank payable in the currency of the Account;
 - (c) by cash payment in HKD, converted (if necessary) from the relevant foreign currency equivalent at the Bank's then prevailing buying rate.

- 2.11 Without prejudice to the generality of Clause 14 of this Section, the Bank reserves the right to, at any time from time to time with or without notice or cause, cancel, withdraw, suspend, vary, change, add to, supplement or otherwise any one or more of the Services.
- 2.12 For company incorporated in Hong Kong or registered as an overseas company in Hong Kong, the Bank reserves the right to conduct search at the Companies Registry in respect of such company. Should there be any discrepancy between any search result and the information provided by such company, the Bank reserves the right (including but not limited) to decline account opening request from such company, or if such company has already opened an account(s) with the Bank, to require rectification of such discrepancy and/or limit the use of, suspend and/or terminate, such account(s).
- 2.13 There may be risks involved in accepting foreign currency cheques as payment or settlement of transactions. In some countries, there are laws dealing with the handling of cheques sent for clearing or collection that will entitle a cheque to be returned even after clearing and the proceeds are paid to the payee. For example, for cheques drawn on US banks, the paying bank will have the right to seek refund of a cheque that is subsequently found to be fraudulently drawn, fraudulently endorsed or fraudulently altered within a period of up to 6 years. For a US Treasury cheque, this refund period may be indefinite. The Bank is entitled to seek repayment from the deposit account holders of any cheque required to be repaid or refunded. This right of recourse remains possible throughout the refund period mentioned above and is regardless of whether the cheque is sent for collection or purchased by the Bank. The deposit of any foreign currency cheques is accepted by the Bank subject to the following terms and conditions:
- (i) In accepting cheques drawn on banks abroad, the Bank reserves the right to decide which cheques to purchase and which to send for collection. Where the Bank purchases the cheques, the Bank shall credit the deposit account (using the Bank's prevailing buying rate) with the proceeds immediately, under advice to the deposit account holder, and subject to having recourse to the deposit account holder in the event of dishonour. The purchase of cheques may subject to the condition that the proceeds credited to the deposit account cannot be withdrawn for a period as determined by the Bank taking into account the required clearing time for cheques in question and which will be specified in the credit advice to be sent to the deposit account holder in confirmation of the transaction.
 - (ii) Where the Bank sends a cheque for collection, this will be done subject to the rules contained in ICC Publication No. 522 and the proceeds of the cheque will only be credited to the deposit account once payment is received from the bank abroad.
 - (iii) In the event that cheques purchased are dishonoured or cheques collected are subsequently liable to be repaid or refunded by applicable laws and regulations, the Bank will debit the deposit account with the value of the cheque as calculated using the Bank's prevailing selling rate or the original buying rate, whichever is higher, plus any charges.
 - (iv) Overseas charges (if any) will be debited to the deposit account under advice to the deposit account holder.
 - (v) Cheques received after the relevant cut-off times set by the Bank from time to time will be processed in the next Business Day.
- 2.14 Whenever the Customer requests the Bank to effect a telegraphic transfer ("TT") or an interbank funds transfer ("RTGS"), whether via the branch offices of the Bank, the Phonebanking Service, the Bank's internet banking services or other channels or means offered by the Bank at any time and from time to time, the following terms shall apply unless otherwise specified:
- (a) The Bank reserves the right to effect an instruction as TT or RTGS according to its routing arrangement;

- (b) The Bank is at liberty to send the TT / RTGS either literally or in cipher and the Bank accepts no responsibility for any loss, delay, error, omission or mutilation which may occur in the transmission of the message or for its misinterpretation when received;
- (c) In the absence of specific instructions to the contrary, the TT / RTGS will be effected in the currency of the country in which payment is to be made;
- (d) While the Bank will endeavour to give effect to the Customer's requests regarding charges relating to the TT / RTGS, the Customer understands that the Bank only has discretion regarding its own charges. Where the Customer has requested to pay overseas charges or other bank's charges, the Bank will communicate such request but whether the beneficiary can receive the full amount of the TT / RTGS will depend on the practice adopted by the correspondent bank and/or beneficiary bank involved, which is beyond the Bank's control and the Bank cannot be held responsible or liable for the same;
- (e) The Bank reserves the right to draw the TT / RTGS on a different place from that specified by the Customer if operational circumstances so require;
- (f) Where the Bank is unable to provide a firm exchange rate quotation, the Bank shall effect the TT / RTGS on the basis of a provisional exchange rate which shall be subject to adjustment when the actual exchange rate is ascertained. Any difference between the provisional rate and the actual rate shall be debited/credited (as the case may be) to the Customer's account;
- (g) Applications received by the Bank's remittances department by the cut-off times as stipulated by the Bank from time to time may not be processed on the same day. Also, processing of the applications will be subject to the availability of the relevant services, including (but not limited to) the availability of clearing system of the currency and country of the correspondent and/or destination banks;
- (h) If a TT / RTGS is to be processed on a particular date, this processing date should be clearly specified by the Customer when the TT / RTGS application is submitted to the Bank unless otherwise specified by the Bank;
- (i) Applications for same day value are subject to cut-off times related to the geographical location of the destination and/or the funding arrangement requirements of the settlement banks. This may mean that the Customer's account will be debited before the value day and the Bank will not be responsible for any interest expense or loss as a result;
- (j) The Bank is not responsible to advise the Customer of:
 - (i) any exchange control or similar restriction which may be imposed by the local laws or regulations in the country in which payment is to be effected and shall not be liable for any loss or delay as a result of the payment being subject to such control and restriction. The Customer is strongly advised to make his own enquiries.
 - (ii) any charges which may be imposed by overseas bank or other bank and shall not be liable if such information cannot be provided;
- (k) Where payment is to be made in favour of a beneficiary not maintaining an account with the Bank's overseas Group Office or its agents, the Bank or its agent reserves the right to make payment by a means other than TT / RTGS in accordance with the customary or accepted banking practice in the country in which the payment is to be made. The Bank is not responsible to advise the Customer of the use of such other means or for any delay in effecting payment by such means arising from circumstances beyond the control of the Bank or its agent;

- (l) The Bank reserves the right not to accept or otherwise reject an application for a TT / RTGS without giving reasons;
- (m) Where the Bank has accepted a TT / RTGS application, it reserves the right not to process the TT / RTGS, with or without notice, if it is of the opinion that:
 - (i) there is insufficient available funds; or
 - (ii) the information given is incorrect, incomplete or is not sufficiently clear; or
 - (iii) the processing thereof will be in breach of any applicable laws or regulations; or
 - (iv) the Customer has specified additional instructions to the TT/ RTGS which are not provided for by or otherwise acceptable to the Bank.

The Bank cannot be held liable for any loss or damage suffered by any person arising out of payment delay, rejection and/or return, or any delay by the Bank in processing the TT / RTGS or the Bank's decision in not processing the same for any one or more of the above reasons. The Bank reserves the right to deduct any charges imposed by the receiving bank from the payment amount or any of the Customer's accounts; and

- (n) To comply with regulatory and/or international guidelines concerning anti-money laundering and anti-terrorist financing activities, in processing a TT / RTGS, the Bank may be required to disclose the personal data or other customer information of the Customer, including without limitation the originating account number (where applicable) and the Customer's name, address and other unique reference (such as date of birth or number of personal/corporate identity document) and the Customer hereby authorises the Bank (and any correspondent bank(s) involved) to make such disclosure to any correspondent bank(s) involved, the payee or other appropriate authorities as the Bank (or, as the case may be, any such correspondent bank) considers appropriate;
- (o) Any stop payment instruction received by the Bank will be processed by the Bank on a commercially reasonable effort basis only and the Bank cannot guarantee that such stop payment instruction can be successfully executed. The result of any stop payment instruction cannot be confirmed at the time of the Customer placing the stop payment instruction (whether or not at that time the Customer's account has already been debited) due to the time lapse between the receipt and processing of such stop payment instruction. The Bank will use commercially reasonable endeavours to notify the Customer of the outcome of any stop payment instruction within 24 hours of receipt of such instruction by the Bank. The Bank cannot in any event be held liable for any loss or damage suffered by the Customer or any other person arising out of failure to stop any TT / RTGS notwithstanding receipt of a stop payment instruction by the Bank;
- (p) In the event that the Customer debits any accounts maintained with the Bank to purchase Renminbi to effect Renminbi remittances and/or any other transactions and the Customer cancels the Renminbi remittance/other transaction(s) or the Renminbi remittance/other instructions are rejected and/or returned, the Bank will convert the Renminbi back to the original currency at the Bank's prevailing buying rate or the Bank's original selling rate, whichever is lower, and deposit the resulting sum into the Debit Account for Renminbi Exchange without notice. The Bank is fully authorised to deduct any charges from the Debit Account for Renminbi Exchange and the Customer shall be solely liable for all losses, costs, expenses and charges of any kind resulting therefrom.

- 2.15 In connection with any banking transaction denominated in United States dollars cleared or settled through the US Dollar Clearing System established in Hong Kong, the Customer:
- (a) acknowledges that the operation of the US Dollar Clearing System will be subject to the US Dollar Clearing House Rules and the USD Operating Procedures referred to therein (as the same may be modified from time to time);
 - (b) agrees that the Hong Kong Monetary Authority shall not owe any duty or incur any liability to the Customer or any other person in respect of any claim, loss, damage or expense (including without limitation, loss of business, loss of business opportunity, loss of profit, special, indirect or consequential loss) (even if the Hong Kong Monetary Authority knew or ought reasonably to have known of their possible existence) of any kind or nature whatsoever arising in whatever manner directly or indirectly from or as a result of:
 - (i) anything done or omitted to be done by the Hong Kong Monetary Authority bona fide or by the settlement institution of the US Dollar Clearing System, Hong Kong Interbank Clearing Limited or any member of the US Dollar Clearing House in the management, operation or use (including without limitation, the termination and/or suspension of the settlement institution, the US dollar clearing facilities or any such member) of the US Dollar Clearing House or the US dollar clearing facilities or any part of any of them;
 - (ii) without prejudice to (i) above, the giving of any notice, advice or approval in relation or pursuant to the US Dollar Clearing House Rules and the US Dollar Operating Procedures referred to therein (as the same may be modified from time to time).
- 2.16 At the request of the Bank, the Customer shall execute such documents and perform such acts as the Bank may consider expedient in connection with the provision of the Services.
- 2.17 The Customer shall notify the Bank of any changes in the signing arrangement of the Third Account(s) or Debit Account(s) or changes in relation to the holder(s) of the ATM Card or Authorised Phonebanking Service User(s).
- 2.18 Where an account has been inactive for a period of time as decided by the Bank (please refer to the Bank for the applicable periods in respect of the different account types), the Bank may restrict or impose conditions for accessing the account.
- 2.19 The Customer accepts that there will be a time lapse between submission of payment application/transaction request involving currency conversion and the processing of such application/request, and the prevailing exchange rates at the time of processing of such application/request (which may vary from the exchange rates at the time of submission) will apply to such application/request. Any exchange rate provided by the Bank at the time of submission of payment application/transaction request is for indication only, the actual exchange rate applicable will be the prevailing exchange rate at the time of processing of such application/request.
- 2.20 For any currency conversion involving Renminbi which arises out of a cross-border transaction (the "underlying transaction"), unless documentary evidence (including third-party documents) is provided which satisfies the Bank that the underlying transaction is a cross-border merchandise trade transaction in accordance with all applicable laws, regulations or guidelines issued by the Hong Kong Monetary Authority (to which the Bank may be subject as an authorised institution participating in the Hong Kong Renminbi business) from time to time, the Bank will not recognise the underlying transaction as a cross-border merchandise trade transaction.

3. Account Package

- 3.1 The Bank may from time to time designate one or more Account Package(s) with different Features, which may include enhanced services, preferential terms, preferential interest rates and/or special promotions on other accounts. The Bank may allocate (but without any obligations to do so) an Account Package to a Customer holding a current Master Account either at the request of the Customer or at the Bank's sole discretion. Where the Bank allocates an Account Package to a Customer, the Bank may at any time and from time to time vary or entirely withdraw the Account Package, again, either at the request of the Customer or at the Bank's sole discretion. The allocation or withdrawal of an Account Package to or from a Customer or the variation of an Account Package so allocated, whether at the request of a Customer or at the Bank's sole discretion, will be made by reference to pre-designated criteria, subject always to the final decision of the Bank. These criteria may include, without limitation, the value of assets deposited by the Customer with the Bank and/or the amount of credit facilities granted by the Bank to the Customer from time to time and are subject to changes at the Bank's decision. The most updated criteria and other details concerning the Account Packages are available from the Bank upon request.
- 3.2 The Features which may be made available, and the fees and charges which may be imposed, by the Bank in relation to the Master Account may vary by reference to the Account Package and, within the same Account Package, may vary by reference to whether the Customer continues to satisfy the prevailing criteria for that Account Package. The Bank is also entitled to vary the Features within each Account Package at any time and from time to time.
- 3.3 Each Account Package may have a set of criteria and/or conditions that the Customer has to fulfill so as to maintain in that Account Package and/or to enjoy the Features in that Account Package. Each Feature may also have certain terms and conditions governing the Customer's use and enjoyment of that Feature. Without prejudice to Clauses 3.1 and 3.2 in this Section I, following an allocation or variation of an Account Package, it shall be the Customer's sole responsibility to ensure that all the prevailing criteria for maintaining that Account Package and/ or the terms and conditions for enjoying the Features in that Account Package are fully satisfied and/or observed. The fulfillment of all prevailing criteria in respect of an Account Package, or the failure to do so, by a Customer, however, will not in any way affect or prejudice the Bank's overriding right in allocating, varying or withdrawing an Account Package.
- 3.4 Whether the Bank exercises its discretion to allocate, vary or withdraw an Account Package, it will notify the Customer of the same using such means as it shall deem reasonable. All the Features that the Customer enjoys will automatically be granted, terminated or otherwise adjusted unless the Bank shall at its sole discretion decide otherwise and the Bank is not obliged to provide any further notice in connection therewith.
- 3.5 Following a variation of the Account Package allocated to a Customer, the applicable provisions of these Terms and Conditions and other terms and conditions governing the use of any Features terminated as a result of the variation of the Account Package shall continue to bind the Customer until all obligations and liabilities owing by the Customer to the Bank with respect to such Features have been fully repaid and satisfied. All applicable provisions of these Terms and Conditions and other terms and conditions governing the use of any new or additional Features that the Customer shall enjoy as a result of the variation of the Account Package shall immediately become binding on the Customer.

- 3.6 The Bank cannot be held liable or responsible for any loss incurred by or inconvenience to a Customer as a result of any allocation or withdrawal of an Account Package to or from a Customer or any variation of the Account Package so allocated and this shall include, without limitation, any loss incurred by or inconvenience to a Customer as a result of any granting, termination or adjustment of any Features in connection therewith.
- 3.7 Any card or identification issued by the Bank to a Customer to reflect the Account Package allocated to the Customer (if applicable) is to facilitate identification of the Customer's Account Package only. The Bank's records shall be conclusive as to the Account Package allocated to the Customer at any time except for manifest error.
- 3.8 The withdrawal of an Account Package shall not in itself affect the use or operation of the Master Account or the Accounts unless the Bank shall specify otherwise.
4. Bank-Customer Relationship
 - 4.1 The relationship between the Bank and the Customer is basically that of debtor and creditor. However, other relationships may arise, such as bailer and bailee when items are held in safe custody, according to the Services provided.
 - 4.2 The Customer confirms that the Customer is acting as principal in relation to the Services and the Master Account, including all Accounts.
5. Consolidated Statement and Account Information
 - 5.1 Consolidated Statements will be provided to the Customers, unless otherwise requested and subject to any applicable monthly interval (or such other intervals as may be determined by the Bank from time to time). The Bank reserves the right not to provide any Consolidated Statement if there is no transaction, no account balance and no accrual interest in the Master Account during the period covered by the Consolidated Statement concerned and no notice will be given in that regard.
 - 5.2 The Consolidated Statement may, in addition to information on the Services, the Accounts and the Account Package, include such information (as determined by the Bank in its sole discretion) of any other services, products or accounts of the type(s) selected by or relating to the Customer which are maintained with or provided by the Bank (or any of its subsidiaries) from time to time under the same identification documents as the Master Account (regardless of the correspondence address).
 - 5.3 The Customer agrees to examine each Consolidated Statement received from the Bank to see if there are any errors, discrepancies, unauthorised debits or other transactions or entries arising from whatever cause, including, but without limitation, forgery, forged signature, fraud, lack of authority or negligence of the Customer or any other person (the "Errors").
 - 5.4 The Customer also agrees that the Consolidated Statement shall, as between the Bank and the Customer, be conclusive evidence as to the balance shown therein and that the Consolidated Statement shall be binding upon the Customer who shall be deemed to have agreed to waive any rights to raise objections or pursue any remedies against the Bank in respect thereof unless the Customer notifies the Bank in writing of any such Errors within 90 days after personal delivery of such Consolidated Statement to the Customer or, if posted, within the same period after the Bank has posted such Consolidated Statement.
 - 5.5 The Bank is authorised to, in its sole discretion, provide any one or more directors or partners of the Customer or such persons of whom the Bank is satisfied as being members of the governing body of the Customer as the case may be, any information on or relating to the Master Account (including, without limitation, the Consolidated Statements) whether or not those directors, partners or other persons are authorised signatories and if they are, irrespective of their signing authority under the Master Account. The Bank reserves the right to charge an administrative fee for the provision of such account information.

6. Bank's Right of Lien and Set-Off

- 6.1 Without prejudice and in addition to any general lien, right of set-off or other right by way of security which the Bank may have on any Account whatsoever, the Customer agrees that the Bank may at any time and without prior notice:
- (a) apply (even if such application requires breaking of any deposit before its maturity date) any monies held in any currency to the credit of any Account or any other account in the name of the Customer (the "said monies") against any indebtedness of any type whether actual, contingent, present, future, primary, collateral and whether owed by the Customer solely or jointly with any other person (the "said indebtedness"); and/or
 - (b) refuse to repay when demanded or when the same falls due any of the said monies to the Customer if and to the extent that the said indebtedness at the relevant time is equal to or exceeds the said monies at that time.
- 6.2 In the event of an individual Customer, the Bank's right under Clause 6.1 shall not be affected by the death or legal incapacity of the Customer or any person(s) comprising the Customer.

7. More Than One Customer

- 7.1 If there is more than one Customer then under these Terms and Conditions:
- (a) the liabilities and obligations of each of them shall be joint and several;
 - (b) references to the Customer shall be construed, as the context requires, to any or each of them;
 - (c) the Bank is authorised to provide information on or relating to the Account to any one of them in such form and manner and to such extent as any one or more of such persons shall request or as the Bank shall in its sole discretion determine at any time and from time to time;
 - (d) each of them shall be bound by these Terms and Conditions and such other terms and conditions governing the Account even though (i) any other person or any person intended to be bound hereby is not or (ii) these Terms and Conditions may be invalid or unenforceable against any one or more of such persons by reason of fraud, forgery or otherwise (whether or not the deficiency is known to the Bank);
 - (e) the Bank shall be entitled to deal separately with any one of them on any matter including (i) the variation or discharge of any liability to any extent or (ii) the granting of time or other indulgence to or making other arrangements with any such person without prejudicing or affecting the Bank's rights, powers and remedies against any other such persons; and
 - (f) where any one of them is authorised to operate the Account singly, the Bank is authorised to comply with the instructions or directions of any one of such persons in relation to the Account and acceptance of any terms and conditions of any Services rendered by the Bank in respect of the Account by any one of such persons will be deemed acceptable by each and all of them and accordingly, such terms and conditions will be binding on each and all of them.

8. Sole Proprietorship or Partnership

8.1 If the Customer is a sole proprietorship or a partnership:

- (a) the Bank is authorised to honour and to comply with all cheques, promissory notes and other orders drawn, and all bills accepted on behalf and in the name of Customer in question, whether the Current Account be in credit or overdrawn, to comply with all directions given for or in connection with the Master Account on behalf of the Customer, including, without limitation, a direction to close the Master Account unless otherwise agreed with the Bank, for which all partners shall be jointly and severally liable if it is a partnership, and to accept and act upon all receipts for monies deposited with or owing by the Bank on the Master Account, provided that such cheques, promissory notes, orders, bills, receipts or directions are given in such form or manner or by such means as shall be acceptable to the Bank at any time and from time to time by the sole proprietor or such partners or such authorised persons according to the signing arrangement as set out in the Business Integrated Account Opening Form as amended in accordance with (c) below;
- (b) any securities or other property of or deposited in the name of the Customer may be withdrawn and any monies may be borrowed from the Bank in the name or on behalf of the Customer, and may be secured in any manner upon any securities, monies or property of or deposited in the name of the Customer by the sole proprietor or all partners or by other authorised persons according to the borrowing arrangement as set out in the Business Integrated Account Opening Form as amended in accordance with (c) below and all partners will be jointly and severally responsible for the repayment of such monies with interest, costs, charges and expenses if it is a partnership;
- (c) the person(s) authorised for the purpose of (a) or (b) above and/or the signing/borrowing arrangement as set out in the Business Integrated Account Opening Form may be amended and changed from time to time upon notice in writing to the Bank (in such form as the Bank has prescribed for such purpose) duly signed by the sole proprietor or, as the case may be, all the partners and such changes shall not be binding on the Bank until written notice thereof is received by the Bank.

8.2 If the Customer is a partnership:

- 1.3 The loss or theft of the Card should be reported to the Bank immediately and confirmed in writing as soon as possible. The Customer will be responsible for all transactions effected by use of the Card until such notification. The Bank may debit any Account with any cost incurred in issuing a replacement Card.
- 1.4 When the Bank executes its rights under Clause 14 of Section I to add to, delete and/or to vary any of the terms and conditions under this Section VI, the use of the Card after the date upon which any change to these terms and conditions is to have effect (as specified in the Bank’s notice) will constitute acceptance without reservation by the Customer of such changes. If the Customer does not accept any proposed changes, the Card must be returned to the Bank prior to the date upon which such changes are to have effect.

2. Liabilities of Card Transactions

- 2.1 Subject to Clause 1.2 of this section, the Customer will be responsible for all transactions effected through the use of the Card, whether authorised by the Customer or not and whether effected by the Cardholder or not.

The Customer will maintain sufficient funds in the Accounts to meet any such transactions. Transactions which are effected in currencies other than HKD will be debited to the related Account after conversions into HKD at a prevailing rate as determined by the Bank on the day of conversion.
- 2.3 The PIN is strictly confidential and should not be disclosed to any third party under any circumstances or by any means whether voluntarily or otherwise. The Customer should not keep any written record of any PIN in any place or manner which may enable a third party to use its ATM Card.
- 2.4 Cash and/or cheques deposited with any automated teller machines (ATM) by use of the Card will be credited to the related Account subject to subsequent verification by the Bank in its normal course of business. The statement issued by the ATM at the time of deposit only represents what the Customer purports to have deposited and will not be binding on the Bank. Cheques will be accepted for collection only and the proceeds will not be available until they have been cleared.
- 2.5 The Bank will not be liable for any consequential or indirect damages arising from or related to the use of the Card.
- 2.6 The related Account will be debited with such charges as the Bank may from time to time consider reasonable in respect of the Card provided that prior notice of such charges is given to the Customer and/or Cardholder.

- 2.7 The Bank may disclose, in strict confidence, to other institutions (whether within or outside Hong Kong) such information concerning the Card and the Accounts as may be necessary or appropriate in connection with its participation in any electronic fund transfer network or generally to facilitate its provision of any and all services relating to the Card.
- 2.8 Through ATMs or other means, the Bank may provide information about products, services and banking facilities offered by the Bank, other members of the HSBC Group or those selected third parties which the Bank thinks may interest the Customer. The information accessible by the Customer and the Cardholder may include among other things indicative facility limit(s), indicative pricing or business terms that may be applicable to the Customer.
- 2.9 For the purposes of this Section VI, all references to Accounts shall include all other accounts accessible by the Card.
- 2.10 The Customer shall maintain a record of the name and identification of the Cardholder of each Card issued to the Customer and shall produce such record to the Bank on demand. The Customer undertakes to ensure that the Cardholders agree to the foregoing and will comply with all these Terms and Conditions to the extent applicable as if each of them were the Customer.

Section VII Secured Credit Facility

1. Secured Credit Facility

1.1 Any secured credit facility (the “**Secured Credit**”) is made available at the sole discretion of the Bank and is subject to these Terms and Conditions and any other terms and conditions as specified by the Bank from time to time. The availability and utilization of the Secured Credit is also subject to completion and production of any other agreements, documents, applications and evidence which may be required by the Bank from time to time.

1.2 Where the “Secured Credit” is granted to the Customer, the Customer will be notified by a facility letter which will set out (among others):

- (a) the credit limit and/or the basis upon which it is calculated;
- (b) the applicable interest rate and/or the basis upon which it is calculated; and
- (c) any other terms for granting the Secured Credit.

Such notification by letter constitutes a binding agreement as regards the granting of the Secured Credit on the terms and conditions listed in such letter (as varied from time to time).

1.3 The Bank reserves the overriding right at any time to demand immediate repayment of the Secured Credit outstanding at that time and the right to withdraw the Secured Credit. Further, the Bank shall have an unrestricted discretion to cancel or suspend, or determine whether or not to permit drawings in relation to the Secured Credit for any reasons.

1.4 An annual non-refundable service fee on the current overdraft limit calculated at the rate from time to time determined by the Bank will be debited annually at its absolute discretion from the account to which the Secured Credit has been granted.

1.5 Interest on the Secured Credit shall accrue at the rate or rates determined and shall be subject to variation from time to time by the Bank at its absolute discretion and shall be payable monthly to the debit of the account to which the Secured Credit has been granted.

1.6 The Customer will notify the Bank as soon as possible of any difficulty in repaying any amount outstanding under the Secured Credit.

1.7 The Secured Credit is subject to review at any time at the Bank’s sole discretion.

2. Security over Customer’s Assets

2.1 In consideration of the Bank providing the Services and granting or continuing to make available the Secured Credit, **the Customer as beneficial owner hereby charges, pledges and assigns the Secured Assets to the Bank as a continuing security for the payment by the Customer of the Secured Indebtedness. For the avoidance of doubt, no security will be created if no Secured Credit is granted by the Bank to the Customer.**

2.2 In this Section VII:

- (a) "Secured Assets" means all assets and property of the Customer which stand to the credit of the Master Account at any time and from time to time of and up to an amount equal to the Secured Assets Value comprising, without limitation, deposits (including renewals and extensions thereof), monies, interest on such deposits and monies (irrespective of the currency of denomination and any change therein), gold and any other precious metal and commodity, stocks, shares, bonds, notes, options and other money market, debt and financial instruments, whether negotiable, bearer or otherwise, investments and securities of all kinds, all rights and benefits attached or accruing thereto and the proceeds thereof. For the purposes of this Section VII:
- (i) "Secured Assets Value" means the value determined by the Bank to be appropriate to secure the Ceiling Limit from time to time in accordance with the loan-to-asset ratio specified and notified by the Bank to the Customer from time to time; and
- (ii) "Ceiling Limit" means the maximum principal amount of the Secured Credit (a) as elected by the Customer and accepted by the Bank or (b) if no such election has been made, as prescribed by the Bank from time to time.

Where the value of the assets and property (as conclusively determined by the Bank) in the Master Account at any relevant time exceeds the Secured Assets Value at that time, the "Secured Assets" shall mean a portion of the assets and property in the Master Account of and up to the Secured Assets Value at that time comprising assets and property in accordance with the order of priority as specified in the Business Integrated Account Secured Credit Facility Interest Rate and Loan Ratio Table as amended and notified by the Bank to the Customer from time to time.

- (b) "Secured Indebtedness" means all monies (including interest, fees, charges, costs and expenses), in whatever currency, which are now or may at any time hereafter be or become, from time to time, due or owing to the Bank by the Customer in respect of the Secured Credit made available to the Customer and which the Customer hereby agrees are payable on demand. Any statement of account signed as correct by any of the Bank's duly authorised officers shall be conclusive evidence of the Secured Indebtedness.

2.3 The Customer hereby irrevocably and by way of security appoints the Bank to be the Customer's attorney and in the name and on the Customer's behalf and as the Customer's act or deed or otherwise, without any reference to or consent from the Customer, to execute all documents and to do all things as may be required for the full exercise of all or any of the powers conferred on the Bank under this Section VII or as the Bank may deem expedient in connection with the Secured Assets. This power of attorney is coupled with an interest and is irrevocable and shall remain irrevocable as long as any Secured Indebtedness remains outstanding. The Customer ratifies and confirms and agrees to ratify and confirm any agreement, act or thing which any attorney appointed under this Clause may lawfully execute, seal, deliver or do.

2.4 The Customer undertakes at all times to maintain in the Master Account assets and property of a value (according to the determination of the Bank) that exceeds or equals to the value determined by the Bank to be appropriate to secure the amount of Secured Indebtedness from time to time in accordance with the loan-to-asset ratio specified and notified by the Bank to the Customer from time to time.

- 2.5 The Customer hereby undertakes, during the continuance of the security created hereunder, to maintain absolute title to the Secured Assets and not, without the Bank's prior written consent, to withdraw, sell, dispose of or deal with or to charge, pledge, assign otherwise encumber or grant or suffer to arise any third party rights over or against any of the Secured Assets, except in the Bank's favour. Further, if the Customer creates or purports to create any security (whether fixed or floating) over the Secured Assets or any part thereof in breach of this Clause 2.5 or if any person levies or attempts to levy any form of process against the Secured Assets or any part thereof, the security created by Clause 2 of this Section VII, to the extent that it may be a floating charge, shall automatically and without notice from the Bank crystallize and operate as a fixed charge instantly when such events occurs.
- 2.6 The Customer undertakes, if and when required by the Bank, to execute or do such agreements, assurances, acts and things as the Bank shall require in respect of the Master Account to (i) secure the Secured Indebtedness; (ii) perfect, protect or improve any security created or intended to be created by Clause 2 of this Section VII; or (iii) facilitate the exercise or proposed exercise by the Bank of any of its rights under this Section VII.
- 2.7 The Customer undertakes to pay the Bank, on demand, all the Bank's expenses (including legal and out-of-pocket expenses) of reasonable amount and reasonably incurred by the Bank in contemplation of, or in connection with, the preservation, enforcement or exercise of any rights under this Section VII.
- 2.8 Payments by the Customer shall be made to the Bank as specified by the Bank without any set-off, counterclaim, withholding or condition of any kind except that, if the Customer is compelled by law to make such withholding, the sum payable by the Customer shall be increased so that the amount actually received by the Bank is the amount it would have received if there had been no withholding.

3. Enforcement of Security

3.1 If:

- (a) the Customer has failed to pay any Secured Indebtedness on demand or is in default under any of these Terms and Conditions; or
- (b) the Customer is unable or admit inability to pay debts as they become due; or
- (c) any proceedings in or analogous to the bankruptcy, insolvency or composition of the Customer are started; or
- (d) legal process is levied or enforced against any of the Customer's assets, the Bank may, without notice, legal process or any other action with respect to the Customer, realise or sell the Secured Assets or any of them, at any time and in any way which the Bank may deem expedient, free from and discharged from all the Customer's trusts, claims, rights of redemption and equities, in or towards settlement of the Secured Indebtedness. The Customer shall not have any right or claim against the Bank in respect of any loss arising out of such realisation or sale, howsoever such loss may have been caused.

Without prejudice to Clause 2.5 of this Section VII and insofar as the security created by Clause 2 of this Section VII is a floating charge, the Bank may, without prejudice to the above, convert the floating charge into a specific fixed charge at any time and from

time to time by notice in writing to the Customer.

- 3.2 The proceeds of the realisation or sale of Secured Assets may be placed by the Bank to the credit of a suspense account with a view to preserving the Bank's rights to prove for the whole of the Bank's rights against the Customer in the event of any proceedings in or analogous to bankruptcy, insolvency, winding-up, liquidation or composition and may also be applied by the Bank to such account, obligation or liability of the Customer as the Bank may, at the Bank's sole discretion, from time to time conclusively determine.
- 3.3 If the currency of any Secured Indebtedness is not the currency in which the Secured Assets or any of them are denominated, the conversion shall be calculated at the Bank's spot buying rate of exchange (as conclusively determined by the Bank) for the currency for which the Customer is liable against the currency in which the relevant Secured Assets are denominated.
- 3.4 No payment to the Bank (whether under any judgement or order of any court or otherwise) shall discharge an obligation in respect of the Secured Indebtedness unless and until the Bank shall have received payment in full in the currency in which such obligation was incurred and, to the extent that the amount of any such payment shall, on actual conversion into such currency, fall short of such obligation expressed in that currency, the Bank shall have a further separate cause of action against the Customer and shall be entitled to enforce the security hereunder to recover the amount of such shortfall.

4. Nature of Security

- 4.1 The security hereunder shall be a continuing security and shall cover and secure the ultimate balance of the Secured Indebtedness from time to time owing to the Bank by the Customer on each separate account or in any manner whatsoever notwithstanding the Customer's death, bankruptcy, incapacity, winding-up, liquidation, insolvency or the Bank's receipt of notice of any such occurrence or any settlement of account or other matter whatsoever.
- 4.2 The security hereunder is in addition to and may be enforced notwithstanding any guarantee, indemnity, assurance, pledge, lien, bill, note, mortgage, charge, debenture, security or other right, power or remedy now or hereafter held by or available to the Bank.
- 4.3 Any release, discharge or settlement between the Bank and the Customer shall be conditional upon no security, disposition or payment to the Bank by the Customer or any other person being avoided, reduced or repaid pursuant to any provisions or enactments relating to bankruptcy, liquidation, winding-up, insolvency or circumstances analogous thereto and, for such purpose, shall be entitled to retain this instrument for such period as the Bank may determine and, if such condition shall not be fulfilled, the Bank shall be entitled to enforce the security hereunder subsequently as if such release, discharge or settlement had not occurred.
- 4.4 If more than one person comprises the Customer, these Terms and Conditions create a security in the Secured Assets to the full extent of their respective interests therein and none of such persons shall be entitled to any rights or remedies of a surety as regards the Customer's obligations.
- 4.5 Any statutory restriction on the right of consolidating mortgage securities contained in any law in force in Hong Kong shall not apply to this security.

2. Acknowledgement regarding Wayfoong Statement Gold Account

- 2.1 The Customer recognizes and acknowledges that:
 - (a) the gold market is volatile and that in particular:
 - (i) there is the possibility that a loss will be incurred from an investment in gold;
 - (ii) an investment in gold provides no yield or interest;
 - (iii) that gold prices have to rise over the purchase price in order to provide a return equal to that of income-producing assets; and
 - (iv) a Wayfoong Statement Gold Account does not represent a deposit of money;

- (b) if by virtue of or arising out of the purchase or sale of gold in accordance with these Terms and Conditions any profit, commission, fee, benefit or other advantage shall accrue to the Bank (or any of its subsidiary or affiliate), the Bank (or any such subsidiary or affiliate) shall be entitled to retain the same for its own account; and
 - (c) at no time will the Customer be able to take delivery of gold from the Bank: the operation of the Wayfoong Statement Gold Account shall be restricted to purchases and sales and when the Customer wishes to close the Wayfoong Statement Gold Account the Customer may only so do by selling the gold and receiving the proceeds of sale.
 - 2.2 The Customer acknowledges that any purchase order or sales order placed by means not bearing an original signature as acceptable to the Bank from time to time, eg Telephone Instructions, which is executed by the Bank at the price stated by the Bank to the Customer in the course of exchange of such means, eg in the course of the telephone order, shall be binding upon the Customer and, in the case of a purchase order, payment therefore must be made in accordance with Clause 1.2(b) of this section and, in the case of a sale order, the proceeds shall be remitted to the Customer in accordance with Clause 3.4 of this section.

The Customer could suffer a loss from the sale of gold upon account closure, depending on the price of gold upon account closure. These terms and conditions may, at the Bank's sole discretion, be amended/revised from time to time upon giving the Customer 30 days prior notice. If the Customer does not close the Wayfoong Statement Gold account prior to the expiry of such notice period, the Customer shall be deemed to have agreed to such change.
 - 2.4 The Customer acknowledges that the Bank is not making, and has not made, any representation whatsoever on the gold performance. - 3.1 Sale orders for gold held for the Customer in the Wayfoong Statement Gold Account should be given in such form as may be specified by the Bank from time to time and should specify the Wayfoong Statement Gold Account designation and the number of maces of gold to be sold.
 - 3.2 The execution by the Customer or on the Customer's behalf of Instructions to sell shall be irrevocable and the content of the detail completed on such form shall be conclusive evidence as to the number of maces of gold to be sold.
 - 3.3 The price per mace at which each sale will be made shall be the prevailing market price for sale of gold (as conclusively determined by the Bank) at the time the sale order is carried out by the Bank.
 - 3.4 The proceeds of any sale of gold shall, if time permits, be paid to the Customer on the same Business Day as execution of the sale order by way of direct credit to the Current or Savings Account or any other account designated by the Customer or by payment in cash, by cheque or by cashier's order as specified by the Customer on the sale order.

If the Customer shall fail to pay to the Bank any amount due to the Bank within 5 Business Days after a demand for payment has been made by the Bank, the Bank may sell all or so much of the gold held in the Wayfoong Statement Gold Account as if an Instruction for sale had been received from the Customer and may then apply the proceeds of sale to discharge the liability of the Customer to the Bank on any such account after first discharging all expenses incurred by the Bank in effecting any such sale.
5. Wayfoong Statement Gold Account Closure
 - 5.1 If the Wayfoong Statement Gold Account is to be closed at any time, the Bank shall sell the gold held for the Account and the proceeds of such sale shall be remitted to the Customer in accordance with Clause 3.4 of this section, whereafter the Wayfoong Statement Gold Account shall be closed.
 - 5.2 Subject to the records of the Bank, the balance entry in the Wayfoong Statement Gold Account shall confirm that the Bank is holding for the Wayfoong Statement Gold Account the quantity of gold described therein.

Section IX Structured Investment Deposits (“SID Deposits”)

Sub-Section (A) – General Terms & Conditions for Structured Investment Deposits

1. General Provisions

- 1.1 The terms set out in this Sub-Section govern all SID Deposits. In addition, Supplemental Terms and Conditions where appropriate apply to each relevant type of SID Deposit which the Bank makes available. An Appendix to such Supplemental Terms and Conditions and/or the SID Terms and Conditions sets out the methodology for determining the Redemption Amount, Return and/or other similar factors in respect of the relevant SID Deposit. Where you place a deposit which is accepted as a SID Deposit by the Bank, a confirmation in respect of the SID Deposit setting out details such as the principal amount of the SID Deposit, and incorporating by reference the relevant Appendix, will be issued to you.
- 1.2 It is anticipated that in addition to any Supplemental Terms and Conditions and Appendices set out herein or herewith, further Supplemental Terms and Conditions and further Appendices, all of which supplement and form a part of these Terms and Conditions, will be produced from time to time.
- 1.3 These Terms and Conditions, each set of Supplemental Terms and Conditions, and each Appendix (as well as the form of any confirmation used) are subject to change as per these Terms and Conditions.
- 1.4 In the event of any conflict, the documentation will govern in the following order:
 - (i) The relevant confirmation;
 - (ii) The relevant Appendix;
 - (iii) The relevant Supplemental Terms and Conditions;
 - (iv) The SID Terms & Conditions; and
 - (v) Section I General Terms.The English and Chinese language versions of all such documents shall bear equal weight for the purposes of these Deposits only.

2. SID Deposits

- 2.1 SID Deposits may be made in such currencies as the Bank may allow, with such minimum initial deposit and in multiples of such minimum amounts as the Bank may decide, from time to time.
- 2.2 SID Deposits are to be placed for such SID Deposit Periods as the Bank may allow from time to time.
- 2.3 Funds in respect of a SID Deposit must be received before the Cut-off Time for the relevant SID Deposit Period. Subject to the terms hereof, such funds shall be held in an interest-bearing account as a Time Deposit to which the relevant terms hereof shall apply, until the relevant SID Deposit Date. Details of interest rates payable will be available upon request. Once funds have been received for the purposes of making a SID Deposit, they may not be withdrawn except in accordance herewith. Subject to the terms hereof, the Reserved Amount shall on the SID Deposit Date be placed as a SID Deposit.

- 2.4 No SID Deposit (including the principal amount of any such SID Deposit and any Return or Redemption Amount payable in respect of such SID Deposit) can or will be automatically renewed for any subsequent SID Deposit Period.
 - 2.5 The Bank reserves the right, in its sole discretion, on or before a SID Deposit Date either not to accept any funds received (including any Reserved Amount), or to accept only part of such funds, as a SID Deposit (whether or not funds are accepted in whole or in part from any other customer as such SID Deposit). In the event of such non-acceptance, the Bank will notify the Customer as soon as practicable and any funds received but not accepted as a SID Deposit will be placed in the Disposal Account.
3. Withdrawal of SID Deposits
- 3.1 A SID Deposit, or any part thereof, may not be withdrawn without the Bank's consent prior to the SID Maturity Date relating to the current SID Deposit Period.
 - 3.2 Where the Bank permits the Customer to redeem a SID Deposit prior to the relevant SID Maturity Date ("Early Redemption"), the terms on which such Early Redemption will be permitted will be set out in the relevant Appendix. **Note that it is likely that the Return upon such Early Redemption will be lower than if the SID Deposit had been kept in place until the relevant SID Maturity Date (and may be negative).**
 - 3.3 The Bank shall have the discretion to uplift a SID Deposit or any part thereof prior to the SID Maturity Date, and (subject to the deduction of such break costs or the addition of such proportion of the Return or Redemption Amount, as the Bank shall conclusively determine to be deductible or to have accrued, which may result in a figure less than the original principal amount of the SID Deposit) place the relevant funds in the Disposal Account or otherwise on interest bearing deposit if it determines, in its sole discretion, that this is necessary or appropriate to protect any right of the Bank to combine accounts or set off, or any security interest, or to protect the Customer's interests.
4. Return and Redemption Amount
- 4.1 Interest may not be paid on a SID Deposit at a predetermined rate. Instead, a Return calculated in accordance with the relevant Supplemental Terms and Conditions (and/or the relevant Appendix), will be payable on maturity.
 - 4.2 In relation to certain types of SID Deposit, the total amount repayable on maturity is expressed as a Redemption Amount. **Such Redemption Amount may, in certain circumstances, depending upon the capital protection provisions which may be applicable, be greater than or less than the original principal amount of the SID Deposit.**
 - 4.3 The Bank will notify the Customer of the amount of the Return or Redemption Amount payable on or in respect of a SID Deposit as soon as practicable after the SID Maturity Date.

5. Calculations and Determinations

5.1 All rates, fixings and values required for the purposes of calculating a Return or Redemption Amount, and all other matters to be ascertained or established in respect of any SID Deposit, shall be as conclusively determined by the Bank acting in a reasonable manner in accordance with prevailing market practices.

6. Participation Rate

6.1 The Participation Rate (if applicable), which (if applicable) may be different for each type of SID Deposit and for each choice of calculation of Return or Redemption Amount available to Customers, represents the percentage of the increase or decrease (as the case may be), if any, of the underlying index(es) or other reference(s), of which the Customer will receive the benefit over the SID Deposit Period and which is to be used in calculating the Return or Redemption Amount in accordance with the relevant formula set out in the relevant Supplemental Terms and Conditions and/or the relevant Appendix. It will be affected by a number of variables such as interest rates, currency exchange rates, market volatility and dividend/coupon yield and will therefore change for each SID Deposit Period.

7. Fees

7.1 The Bank reserves the right to impose service fees, facility fees and/or other charges from time to time as the Bank in its absolute discretion thinks fit. The Bank will notify the Customer of any fees or charges imposed (or of any changes to such fees or charges) at least one month in advance. Such fees will not apply in respect of a specific SID Deposit already placed with the Bank during the term of that SID Deposit.

8. Tax

8.1 Any Return, Redemption Amount and/or interest will be paid subject to any deduction or withholding in respect of tax required to be made by law. The amount of tax deducted (if applicable) will be advised each time any Return, Redemption Amount and/or interest is paid.

9. Waiver

9.1 No act or omission by the Bank shall affect its right, powers or remedies hereunder or any further or other exercise of such rights, power or remedies.

10. Business days

10.1 If any payment or calculation to be made or other action to be taken hereunder by the Bank and/or the Customer would otherwise fall on or by reference to a day which is not a Business Day, unless otherwise provided in the relevant Supplemental Terms, Appendix or Confirmation, it shall be postponed until (or, as appropriate, by reference to) the first succeeding Business Day.

Sub-Section (B) – Supplemental Terms & Conditions for Index-Linked Structured Investment Deposits

11. Return

- 11.1 The Return payable on a SID Deposit in respect of any SID Deposit Period will be calculated in accordance with the terms of the relevant Appendix to these Supplemental Terms and Conditions setting out the structure selected, or deemed selected, by the Customer from those made available by the Bank from time to time, and will be payable on the SID Maturity Date.

12. SID Fixing Dates

- 12.1 Where a fixing for an Index, in respect of a SID Deposit, is required to be taken on any date which is not an Index Business Day in relation to that Index, or such date is an Index Business Day in relation to that Index but a Market Disruption Event exists in relation to that Index, that fixing shall be taken on the next following Index Business Day in relation to that Index on which no Market Disruption Event exists (whether or not that date is already a date on which a fixing is taken). However, if there is a Market Disruption Event on each of the five Index Business Days in respect of that Index immediately following the original date that would have been the fixing date, that fifth Index Business Day shall be deemed to be the relevant fixing date (such fixing date, the “Amended Fixing Date”), and the Bank shall determine the relevant level of that Index in good faith and in a commercially reasonable manner for such fixing.
- 12.2 Where as a result of clause 11.1 of this section (but not otherwise) the SID Deposit Date (or, as applicable, the SID Maturity Date) would otherwise fall before the last Amended Fixing Date related to it, the SID Deposit Date (or, as applicable, the SID Maturity Date) shall be deemed to be the day (the “Applicable Day”) which is the Interim Day count after (or where the Interim Day count is zero, on) that last Amended Fixing Date (or, if such Applicable Day is not a Business Day in the relevant location, on the Business Day in such location next following such Applicable Day).
- 12.3 Where the Redemption Amount and/or Return in respect of a SID Deposit is determined by reference to more than one Index, the provisions set out in clause 11 of this section shall (unless provided otherwise in the relevant Appendix) apply separately in respect of each such Index, with the effect that all calculations of the relevant Redemption Amount and/or Return shall be made (and the SID Deposit Date or, as applicable, the SID Maturity Date shall be determined) by reference to the above provisions, but using fixings in respect of any Index, in respect of which such provisions do not have any effect, as of the relevant scheduled date therefor without reference to such provisions and the SID Deposit Date (or, as applicable, the SID Maturity Date) shall be determined by reference to the last fixing date to occur.

13. Adjustment to an Index

- 13.1 If an Index is (a) not calculated and announced by the original Sponsor but is calculated and announced by a successor Sponsor acceptable to the Bank or (b) replaced by a successor index using, in the good faith determination of the Bank, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then that Index will be deemed to be the index so calculated and announced by that successor Sponsor or that successor index, as the case may be.

- 13.2 If (a) on or prior to a date upon which the level of an Index falls to be determined, the original Sponsor (or any relevant successor Sponsor) makes a material change in the formula for or the method of calculating that Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation and other routine events), or (b) on such a date the original Sponsor (or any relevant successor Sponsor) fails to calculate and announce that Index, then the Bank shall ascertain the relevant level of that Index using, in lieu of a published level for that Index, the level for that Index as at the relevant date as determined by the Bank so as to produce substantially the same economic effect as if the change or failure had not occurred.
14. Correction of an Index
- 14.1 Where the level of an Index used for the purposes of calculating the Redemption Amount and/or Return in respect of a SID Deposit is corrected by the Sponsor prior to the SID Maturity Date (or, where applicable, prior to the Early Redemption Date), such amended level shall be used in place of the level originally published, for the purposes of such calculations.
15. Disclaimers and Definitions
- 15.1 The Customer acknowledges the various disclaimers and definitions attached to the relevant Appendix in relation to each Index.
16. Risk Disclosures
- 16.1 The Return or Redemption Amount in relation to a SID Deposit will depend upon market conditions prevailing at the relevant fixing times during or in respect of the relevant SID Deposit Period. The level of an Index may go up or down during such period and this will affect the Return or Redemption Amount. The Return or Redemption Amount may be less than would have been payable on a time deposit for the same period and it is possible that no amount by way of return will be payable at all. The Customer must be prepared to risk the interest that the Customer might otherwise have earned on money invested as a SID Deposit and, in the case of a SID Deposit which is not 100% capital protected, the principal amount of the SID Deposit to the extent not so protected. If the Customer has any concerns about SID Deposits, the Customer should consult the Customer's professional advisers.**
17. Capital Protection
- 17.1 The principal amount of SID Deposits is (unless otherwise stated in the relevant Appendix) fully (i.e. 100%) capital protected on maturity. Subject to any provisions to the contrary in respect of Early Redemption, or early withdrawal by the Bank, and unless otherwise stated in the relevant Appendix, if the Return, calculated on maturity under the relevant formula in the Appendix, would be negative, it shall not be deductible from the principal amount and, instead, shall be deemed to be nil.

Sub-Section (C) – Supplemental Terms & Conditions for Currency-Linked Structured Investment Deposits

18. Return and Redemption Amount

18.1 The Redemption Amount shall be calculated in accordance with the terms of the relevant Appendix to these Supplemental Terms and Conditions and be payable on the SID Maturity Date.

19. Interest

19.1 Interest on a SID Deposit in respect of any SID Deposit Period, if stated to be payable in the relevant Appendix to these Supplemental Terms and Conditions, will be calculated in accordance with the terms of the relevant Appendix setting out the structure selected by the Customer from those made available by the Bank from time to time, and will be payable on the SID Maturity Date.

Interest shall accrue from and including the SID Deposit Date to but excluding the SID Maturity Date at the applicable Interest Rate per annum on the basis of the actual number of days that have elapsed during such period and in accordance with the prevailing market practices.

20. Risk disclosure

20.1 The Return in relation to a SID Deposit will depend on the exchange rate movements of the relevant currencies prevailing at the fixing time(s) during or in respect of the relevant SID Deposit Period or such other period or periods as specified in the relevant Appendix. The foreign exchange rate(s) may go up or down during such period and this will affect the Return. The Return may be less than that which would have been payable on a time deposit for the same period and it is possible that no amount by way of return will be payable at all.

You must be prepared to risk the interest that you might otherwise have earned on money invested on a deposit and, in the case of a SID Deposit which is not 100% capital protected, the principal amount of the SID Deposit to the extent not so protected. If you have any concerns about SID Deposits, you should consult your professional advisers.

21. Capital protection

21.1 The principal amount of SID Deposits under these Supplemental Terms and Conditions is (unless otherwise stated in the relevant Appendix) fully (i.e. 100%) capital protected on maturity. Subject to any provisions to the contrary in respect of Early Redemption, or early withdrawal by the Bank, and unless otherwise stated in the relevant Appendix, if the Return, calculated on maturity under the relevant formula in the Appendix, would be negative, it shall not be deductible from the principal amount and, instead, shall be deemed to be nil.

Sub-Section (D) – Supplemental Terms & Conditions for Interest Rate-Linked Structured Investment Deposits

22. Redemption amount

22.1 The Redemption Amount in respect of a SID Deposit will be calculated in accordance with the terms of the relevant Appendix and will be payable on the SID Maturity Date or such other day or days as specified in the relevant Appendix.

23. Interest

23.1 Interest on a SID Deposit in respect of any SID Deposit Period, if stated to be payable in the relevant Appendix, will be calculated in accordance with the terms of the relevant Appendix setting out the structure selected by the Customer from those made available by the Bank from time to time, and will be payable on the SID Maturity Date of the Deposit or at such other time or times as specified in the relevant Appendix.

Unless otherwise stated in the relevant Appendix, interest shall accrue from and including the SID Deposit Date to but excluding the SID Maturity Date at the applicable Interest Rate per annum on the basis of the actual number of days that have elapsed during such period and in accordance with the prevailing market practices.

Where Interest Rate on a SID Deposit is calculated by reference to HIBOR, LIBOR or other reference rate (as such terms may be defined in the relevant Appendix) and the rate is not available for whatever reason, it will be conclusively determined by the Bank in good faith and in a commercially reasonable manner.

24. Risk disclosure

24.1 The Return in relation to a SID Deposit will depend on the interest rate movements of the relevant currencies prevailing at the fixing time(s) during or in respect of the relevant SID Deposit Period or such other period or periods as specified in the relevant Appendix. The interest rate(s) may go up or down during such period and this will affect the Return. The Return may be less than that which would have been payable on a time deposit for the same period and it is possible that no amount by way of return will be payable at all.

You must be prepared to risk the interest that you might otherwise have earned on money invested on a deposit and, in the case of a SID Deposit which is not 100% capital protected, the principal amount of the SID Deposit to the extent not so protected. If you have any concerns about this product, you should consult your professional advisers.

25. Capital protection

25.1 The principal amount of SID Deposits under these Supplemental Terms and Conditions is (unless otherwise stated in the relevant Appendix) fully (i.e.100%) capital protected on maturity. Subject to any provisions to the contrary in respect of Early Redemption, or early withdrawal by the Bank, and unless otherwise stated in the relevant Appendix, if the Return, calculated on maturity under the relevant formula in the Appendix, would be negative, it shall not be deductible from the principal amount and, instead, shall be deemed to be nil.

Sub-Section (E) – Supplemental Terms & Conditions For Equity-Linked/Equity Basket-Linked Structured Investment Deposits

26. Return

26.1 The Return payable on a SID Deposit in respect of any SID Deposit Period will be calculated in accordance with the terms of the relevant Appendix to these Supplemental Terms and Conditions setting out the structure selected, or deemed selected, by the Customer from those made available by the Bank from time to time, and will be payable on the SID Maturity Date of the SID Deposit.

27. Disruption Provisions

- 27.1 If the Bank determines that a Valuation Date is a Disrupted Day, the relevant Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the applicable Equity, unless each of the 8 Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day. In that case, (i) that 8th Scheduled Trading Day shall be deemed to be the Valuation Date relating to such Equity notwithstanding the fact that such day is a Disrupted Day, and (ii) the Bank shall determine its good faith estimate of the value of the relevant Unit as of the Valuation Time on that 8th Scheduled Trading Day. The Valuation Date determined in accordance with this Clause 26.1 of this section is referenced below as the “Amended Valuation Date.”
- 27.2 Where as a result of Clause 26.1 (but not otherwise) the SID Deposit Date (or, as applicable, the SID Maturity Date) would otherwise fall before the last Amended Valuation Date related to it, the SID Deposit Date (or, as applicable, the SID Maturity Date) shall be deemed to be the day (the ‘Applicable Day’) which is the Interim Day count after (or where the Interim Day count is zero, on) that last Amended Valuation Date (or, if such Applicable Day is not a Business Day, on the Business Day next following such Applicable Day).
- 27.3 Where the Redemption Amount and/or Return in respect of a SID Deposit is determined by reference to an Equity Basket, the provisions set out in Clause 26 of this section shall (unless provided otherwise in the relevant Appendix) apply separately in respect of each Component Equity, with the effect that the Valuation Date for each Component Equity not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Valuation Date for each Component Equity affected by the occurrence of a Disrupted Day shall be determined in accordance with the provisions set out in Clause 26.1 of this section (and the SID Deposit Date (or, as applicable, the SID Maturity Date) shall be determined by reference to the last Amended Valuation Date to occur in respect of the Scheduled Valuation Date in question).

28. Averaging Days

- 28.1 If Averaging Days are a feature of an Equity-linked Deposit, then unless otherwise specified in the relevant Appendix, (i) the Initial Price, Final Price, or other relevant value, shall be the arithmetic mean of the Relevant Prices of the Unit on each relevant Averaging Date, and (ii) if the Bank determines that an Averaging Date is a Disrupted Day, then the relevant Averaging Date shall be the first succeeding Valid Date, unless the first succeeding Valid Date has not occurred as of the Valuation Time on the 8th Scheduled Trading Day immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date in respect of the relevant Scheduled Valuation Date, in which case (i) that 8th Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that 8th Scheduled Trading Day is already an Averaging Date), and (ii) the Bank shall determine its good faith estimate of the value of the relevant Unit as of the Valuation Time on that 8th Averaging Date.
- 28.2 If Averaging Days are a feature of a Equity Basket-linked Deposit, then (i) the Initial Price, Final Price, or other relevant value, shall be the arithmetic mean of the amounts for the Equity Basket calculated on each Averaging Date as the sum of the values calculated for Component Equities of each Issuer as the product of (A) the Relevant Prices of one unit of the relevant Component Equity and (B) the relevant number of such Component Equity in the Equity Basket and (ii) the provisions set out in Clause 27.1 of this section shall apply separately in respect of each Component Equity, with the effect that the Averaging Dates for each such Component Equity not affected by the occurrence of a Disrupted Day shall be the dates specified in (or determined in accordance with the provisions of) the relevant Appendix as Averaging Dates in respect of the relevant Valuation Date and the Averaging Dates for each such Component Equity affected by the occurrence of an Disrupted Day shall be determined in accordance with the provisions set out in Clause 27.1 of this section.

29. Correction of an Equity Value

- 29.1 Where the value of a Unit or (in the case of an Equity Basket-linked Deposit) of a Component Equity required for the purposes of calculating the Redemption Amount and/or Return in respect of a SID Deposit is corrected by the relevant Exchange prior to the SID Maturity Date (or, where applicable, prior to the Early Redemption Date), such amended value shall be used in place of the value originally published, for the purposes of such calculations.

30. Reference Value/Equity Basket adjustment

- 30.1 The Bank may, at its sole discretion, adjust the Final Price, the Initial Price or another value relating to a Unit, or the composition of the Component Equities of the applicable Equity Basket, should any of the following events (or any analogous event) occur:
- (a) A Market Disruption Event; or

- (b) (i) a sub-division, consolidation or reclassification of the relevant Equity or, as applicable, Component Equity, (unless resulting in a Merger Event) or a free distribution or dividend of any such Equities or, as applicable, Component Equities, to existing holders by way of bonus, capitalization or similar issue; (ii) a distribution, issue or dividend to existing holders of the relevant Equities or, as applicable, Component Equities, of such Equities or, as applicable, Component Equities, or other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Issuer equally or proportionately with such payments to holders of any such Equity or, as applicable, Component Equity, or any type of securities, rights or warrants or other assets, in any case for payment (cash or otherwise) at less than the prevailing market price as determined by the Bank; (iii) an extraordinary dividend; (iv) a call by the Issuer in respect of relevant Equities or, as applicable, Component Equities, that are not fully paid; (v) a repurchase by the Issuer of the Equities or, as applicable, Component Equities, whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; (vi) in respect of the Issuer, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Issuer pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value, as determined by the Bank, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or (vii) any other event that may have a diluting or concentrative effect on the theoretical value of the relevant Equities or, as applicable, Component Equities, (each a "Potential Adjustment Event"), as determined by the Bank; or
- (c) (i) any reclassification or change of such Equities or, as applicable, Component Equities, that results in transfer of or an irrevocable commitment to transfer all of such Equities or, as applicable, Component Equities, outstanding to another entity or person; (ii) any consolidation, amalgamation, merger or binding share exchange of the Issuer of such Equities or, as applicable, Component Equities, with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Issuer is the controlling entity and which does not result in any such reclassification or change of all such Equities or, as applicable, Component Equities, outstanding); (iii) any takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100% of the outstanding Equities or, as applicable, Component Equities, of such Issuer that results in a transfer of or an irrevocable commitment to transfer all of such Equities or, as applicable, Component Equities (other than such Equities or, as applicable, Component Equities, owned or controlled by such other entity or person); or (iv) any consolidation, amalgamation, merger or binding share exchange of the Issuer of such Equities or, as applicable, Component Equities, or its subsidiaries with or into another entity in which the Issuer of such Equities or, as applicable, Component Equities, is the continuing entity and which does not result in a reclassification or change of all such Equities or, as applicable, Component Equities, outstanding but results in the outstanding Equities or, as applicable, Component Equities, (other than Equities or, as applicable, Component Equities, owned or controlled by such other entity) immediately prior to such event collectively representing less than 50% of the outstanding Equities or, as applicable, Component Equities, immediately following such event (each a "Merger Event"); or

- (d) all the shares or all or substantially all of the assets of the Issuer are nationalized, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof (“Nationalization”); or
- (e) by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Issuer of the Equities or, as applicable, Component Equities, (A) all the equities of such Issuer are required to be transferred to a trustee, liquidator or other similar official or (B) holders of the Equities or, as applicable, Component Equities of that Issuer become legally prohibited from transferring them (“Insolvency”); or
- (f) the relevant Exchange announces that pursuant to the rules of such Exchange, the relevant Equities or, as applicable, Component Equities, cease (or will cease) to be listed, traded or publicly quoted on the relevant Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in any member state of the European Union) (“Delisting”); or
- (g) (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (B) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Bank determines in good faith that (X) it has become illegal to hold, acquire or dispose of Equities or, as applicable, Component Equities, or (Y) it will incur a materially increased cost in performing its obligations under the Deposit (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position) (“Change in Law”); or
- (h) the Issuer institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head or home office, or it consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition (excluding proceedings instituted or petitions presented by creditors and not consented to by the Issuer) (an “Insolvency Filing”); or
- (i) due to an event beyond the Bank’s control (for example, adverse price movements or a change in applicable law or regulation) the Bank is unable, after using commercially reasonable efforts, to either (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge any relevant price risk including, but not limited to, any equity price risk or currency risk, of entering into and performing its obligations with respect to the SID Deposit, or (ii) freely realize, recover, receive, repatriate, remit or transfer the proceeds of the SID Deposit or any transaction(s) or asset(s) maintained or held by the Bank for the purposes of hedging its obligations with respect to the SID Deposit.

31. Risk disclosure

31.1 The Return or Redemption Amount in relation to a SID Deposit will depend upon market conditions prevailing at the relevant valuation times during or in respect of the relevant SID Deposit Period. The value of a Unit may go up or down during such period and this will affect the Return. The Return may be less than would have been payable on a time deposit for the same period and it is possible that no amount by way of Return will be payable at all. You must be prepared to risk the interest that you might otherwise have earned on money invested as a SID Deposit and, in the case of a SID Deposit which is not 100% capital protected, the principal amount of the SID Deposit to the extent not so protected. If you have any concerns about this product you should consult your professional advisers.

32. Capital protection

32.1 The principal amount of SID Deposits under these Supplemental Terms and Conditions is (unless otherwise stated in the relevant Appendix) fully (i.e. 100%) capital protected on maturity. Subject to any provisions to the contrary in respect of Early Redemption, or early withdrawal by the Bank (for instance in the context of illegality or in accordance with Clause 3.3 of this section), and unless otherwise stated in the relevant Appendix, if the Return, calculated on maturity under the relevant formula in the Appendix, would be negative, it shall not be deductible from the principal amount and, instead, shall be deemed to be nil.

Section X Deposit Plus

1. **These Terms and Conditions are supplemental to the Terms and Conditions for Time Deposits (the “Time Deposit Terms”) in force from time to time. These Terms and Conditions and the Time Deposit Terms shall apply to all Deposit Plus deposits (the “Deposits”). In the event of any conflict between these Terms and Conditions and the Time Deposit Terms, these Terms and Conditions will prevail for the purposes of the Deposits.**
2. Deposits
 - 2.1 Deposits may be made in such currency as the Bank may agree at its absolute discretion. The Bank may impose such additional conditions in relation to any Deposit as the Bank thinks fit in respect of the Deposit Currency and/or the Linked Currency, such additional terms to be contained in the relevant Confirmation.
 - 2.2 Each Deposit must be of not less than a minimum amount specified by the Bank from time to time.
 - 2.3 The terms of each Deposit shall be subject to the terms of each separate Confirmation to be issued in respect of each Deposit. The terms of each Confirmation shall be read with these Terms and Conditions and the Time Deposit Terms and shall be deemed to form a single agreement between the Bank and the Customer. In the event of any conflict between these Terms and Conditions, the Time Deposit Terms and a Confirmation, the terms of the Confirmation will prevail.
 - 2.4 Any repayment of a Deposit (whether on maturity or otherwise) as provided in Clause 3 of this section shall be paid to the credit of an account with the Bank in Hong Kong unless the Bank shall at its sole discretion agree to the contrary.
3. Returns and Currency of Deposit
 - 3.1 On the Maturity Date the Bank shall pay to the Customer for value on the Maturity Date, subject as provided below, for the credit of such account with the Bank as the Customer shall have nominated in any disposal instructions (or if the Customer has not nominated an account or the nominated account has been closed, such other account of the Customer as the Bank shall decide), the principal amount of the Deposit and interest thereon calculated in accordance with Clauses 3.2 and 3.3 of this section.
 - 3.2 Interest shall be calculated on the principal amount of the Deposit on the basis of the number of days in the Interest Period (or which have elapsed prior to any breaking of the Deposit for whatever reason) and the relevant Interest Year.
 - 3.3 Interest shall accrue at the rate specified in the relevant Confirmation.
 - 3.4 For a Deposit where a Trigger Rate has not been specified in the relevant Confirmation, or to the extent Clause 3.5 of this section applies:

the Deposit and interest payable thereon will be repaid in the Deposit Currency where:

 - (a) the Deposit Currency and Linked Currency are a Table 1 Currency Pair in Appendix I and the Final Exchange Rate is less than or equal to the Conversion Rate; or
 - (b) the Deposit Currency and Linked Currency are a Table 2 Currency Pair in Appendix I and the Final Exchange Rate is greater than or equal to the Conversion Rate and

the Deposit and interest payable thereon will be repaid in the Linked Currency where:

- (a) the Deposit Currency and Linked Currency are a Table 1 Currency Pair in Appendix I and the Final Exchange Rate is greater than the Conversion Rate; or
- (b) the Deposit Currency and Linked Currency are a Table 2 Currency Pair in Appendix I and the Final Exchange Rate is less than the Conversion Rate.

3.5 For each Deposit where a Trigger Rate has been specified in the relevant Confirmation, either one of the following options will apply depending on the terms specified in the relevant Confirmation:

- (a) (i) If the FX Rate has NOT traded at or above the Trigger Rate at any time during the Observation Period, Clause 3.4 of this section shall apply.
 - (ii) If the FX Rate has traded at or above the Trigger Rate at any time during the Observation Period, the Deposit and interest payable thereon will be repaid in the Deposit Currency.
- (b) (i) If the FX Rate has traded at or above the Trigger Rate at any time during the Observation Period, Clause 3.4 of this section shall apply.
 - (ii) If the FX Rate has NOT traded at or above the Trigger Rate at any time during the Observation Period, the Deposit and interest payable thereon will be repaid in the Deposit Currency.
- (c) (i) If the FX Rate has NOT traded at or below the Trigger Rate at any time during the Observation Period, Clause 3.4 of this section shall apply.
 - (ii) If the FX Rate has traded at or below the Trigger Rate at any time during the Observation Period, the Deposit and interest payable thereon will be repaid in the Deposit Currency.
- (d) (i) If the FX Rate has traded at or below the Trigger Rate at any time during the Observation Period, Clause 3.4 of this section shall apply.
 - (ii) If the FX Rate has NOT traded at or below the Trigger Rate at any time during the Observation Period, the Deposit and interest payable thereon will be repaid in the Deposit Currency.

3.6 Notwithstanding anything to the contrary, in relation to each Deposit to which Clause 3.5(a), (b), (c) or (d) of this section applies, if the conditions set out in sub-clause (b) of such clause are satisfied at any time prior to such date of maturity and if the Bank's Early Repayment Option is specified as being applicable in the relevant Confirmation, then the Bank may, in its sole discretion and with binding effect on the Customer, elect an earlier date which is a Business Day to be the Maturity Date in which case such earlier date shall be deemed the Maturity Date for the purposes of these Terms and Conditions, including Appendix I of these Terms and Conditions, to the extent they relate to the Deposit.

4. Withdrawals

4.1 A Deposit may not be withdrawn prior to its Maturity Date without the consent of the Bank. The Bank may at its absolute discretion refuse to give such consent, or impose such conditions as the Bank may determine for the withdrawal of such Deposit, such conditions to include (without limitation) the deduction of such breakage costs as the Bank shall determine conclusively acting in good faith. Such breakage costs shall include the costs, expenses, liabilities or losses incurred or suffered by the Bank as a consequence of breaking its hedge, or funding from other sources in respect of the Deposit and/or in respect of the Linked Currency and therefore the total amount repaid on withdrawal may be less than the principal amount of the Deposit.

5. No Renewal

5.1 There can be no automatic renewal of Deposits.

6. Representations and Warranties

6.1 Any Customer which is a body corporate hereby represents and warrants that it has the authority and power to enter into these Terms and Conditions and to make the Deposit, that it has taken all necessary corporate steps to authorise the execution hereof and that the terms hereof are legally binding upon it and are fully enforceable against it.

7. Waiver

7.1 No act or omission by the Bank shall affect its rights, powers or remedies hereunder or any further or other exercise of such rights, powers or remedies.

8. Force Majeure

8.1 If the Bank is prevented from, hindered or delayed by reason of force majeure or act of State, in the performance of any of its obligations under these Terms and Conditions or any Confirmation, the Bank will not be under any liability to the Customer for any loss, damage, cost or expense incurred by the Customer due to the inability or failure of the Bank to perform any such obligation.

9. Invalidity, Illegality or Unenforceability

9.1 In the event that any one or more of the provisions contained in these Terms and Conditions or any Confirmation should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions hereof or thereof shall not in any way be affected or impaired thereby.

10. Certificates

10.1 The Bank's certificate as to the amount of any sum payable by the Bank or to the Bank pursuant hereto shall be conclusive save in the case of manifest error.

11. Law and Jurisdiction

11.1 This Agreement shall be subject to, governed by and construed in accordance with the laws of the Hong Kong Special Administrative Region and the parties submit to the non-exclusive jurisdiction of the Hong Kong courts.

12. Tax

12.1 Any return, principal and/or interest will be paid subject to any deduction or withholding in respect of tax required to be made by law. The amount of tax deducted (if applicable) will be advised each time any return, principal and/or interest is paid.

13. Risk Disclosure Statement

13.1 The net return on the Deposit will depend upon market conditions prevailing during the Observation Period and/or at the Fixing Time on the Fixing Date. You must be prepared to risk any loss as a result of depreciation in the value of the currency paid. Such loss may offset the interest earned on the deposit and may even result in losses to the principal amount of the Deposit. If you have any concerns about this product you should consult your professional advisers.

 - 4.2 Where any Securities are held in the Bank's name or the name of any nominee of the Bank, unless the Bank receives an Instruction (which shall be deemed to include the default option specified in any notification and request for Instructions), the Bank shall not attend any meeting or exercise any voting or other rights including the completion of proxies.
 - 4.3 The Bank may appoint any other person as its nominee or agent to perform any of the Investment Services on its behalf and may delegate any of its powers under these Terms and Conditions to such person but, in such a case, the Bank shall remain liable for the negligence or wilful default of any such appointee as if no such appointment had been made.
 - 4.4 In performing the Investment Services, the Bank shall exercise the same degree of care as it exercises in respect of its own property save as may otherwise be provided in these Terms and Conditions.
 - 4.5 The Bank is authorised to disclose any information it has concerning the Customer, any Securities and the Investment Services to any other person appointed by it in connection with the Investment Services.
 - 4.6 Where foreign listed Securities are accepted in jurisdictions restricting foreign ownership of Securities, the Bank shall have no duty to ascertain the nationality of the owner of the Securities or whether Securities deposited are approved for foreign ownership unless specifically instructed by the Customer.
5. Reports Statements and Information

The Customer shall check the essential features of the securities transaction by himself through such means or mediums provided by the Bank. The Customer accepts that the Bank is not obliged to confirm with the Customer the essential features of the securities transaction otherwise than in accordance with the foregoing.
 - 5.4 The Bank will provide a contract note to the Customer in accordance with applicable regulatory requirements after effecting a securities transaction. Where the contract note refers to a settlement date, if settlement cannot take place on that date because a gale warning or black rainstorm warning is in force on that date, the settlement date will be deferred to the next trading day.

6. Instructions

- 6.1 The Bank is authorised but not obliged to act on Instructions given, or purported to be given by the Customer or any of them where there is more than one person making up the Customer. Instructions may be given during the times advised by the Bank to the Customer which the Bank may vary from time to time.
- 6.2 The Bank may, at its discretion, accept Instructions reasonably believed by it to have emanated from the Customer in which case, if it acts in good faith on such Instructions, such Instructions shall be binding on the Customer and the Bank shall not be liable for doing so, whether or not the Instructions were given by the Customer and the Bank shall not be under any duty to verify the identity of the person(s) giving those Instructions.
- 6.3 The Bank will not be under any obligation to accept any Instruction to purchase any Securities unless:

- 6.6 Any Instruction for the purchase or sale of any Securities shall only be accepted if it is for completion on the day of Instruction if it is received before the relevant 'cut-off' time as provided in Clause 6.7 of this section. Where for whatever reason such Instruction has not been executed (or any unexecuted part of any such Instruction in the case of a partially executed Instruction), it shall be deemed to lapse at the expiry of the trading date specified in any such Instruction. If on the date of Instruction it is a public holiday, the Bank will execute the Instruction on the first Business Day thereafter.
- 6.7 Any Instruction for the sale or purchase of any Securities for execution on the date of Instruction must be received before any relevant 'cut-off' time in respect of any relevant exchange or market.
- 6.8 All other Instructions shall be given so as to allow the Bank sufficient time with which to comply.

7. Bank's Duties – Instructions

7.1 The Bank shall act on Instructions as soon as reasonably **possible but shall not be liable for any loss, damage or expense or consequential loss, damage or expense suffered by the Customer** (including without limitation any loss, damage or expense suffered or incurred as a result of any change in the price of any Securities between the time of giving or receipt of any Instruction to or by the Bank and the time at which such any Instruction is acted on) by virtue of any delay in acting on any Instruction or any partial completion of or failure or inability to act on any Instruction for whatsoever reason **unless such delay is caused by the Bank's negligence** (including without limitation any failure or error of any computer or electronic system or equipment).

8. Purchase and Sale Instruction

8.1 On receipt of any Instruction to purchase Securities pursuant hereto the Bank acting in good faith will forthwith calculate the sums required to meet such purchase Instruction plus an estimate of the sums required to meet any tax, duty or other expenses in connection with such purchase. Following such calculation the following provisions shall apply:

- (a) The Bank shall be entitled to set-off over an amount equivalent to such sum available in the Cash Account or any other account maintained by the Customer or any of them with the Bank (in the form of credit balance and/or credit facility) against all actual or contingent liabilities incurred by the Bank as a consequence of the said Instruction including any liability to pay the purchase price and other expenses to any third party.
- (b) Until completion of the said purchase the Customer shall not be entitled to withdraw all or any part of the said amount and the said amount shall not constitute a debt owed by the Bank to the Customer.
- (c) The Customer hereby charges the said amount in favour of the Bank as security for the Bank's actual or contingent liabilities in respect of the said purchase monies and anticipated purchase expenses.

8.2 On receipt of any Instruction to sell Securities pursuant hereto, the Bank shall be entitled to debit the Securities Account with the relevant Securities on or (at the Bank's sole discretion) at any time before completion of the said sale. The Customer acknowledges that the Customer shall not be entitled to withdraw or in any way deal with all or any part of such relevant Securities (which shall be held on trust for the Bank) until completion of the said sale.

9. Cancellation of Instructions

9.1 The Bank shall not be obliged to act on any Instruction for cancellation, variation or amendment of any Instruction already given to the Bank nor be responsible or liable to the Customer for any loss or expense suffered or incurred by the Customer if the original Instruction has already been completed or in the opinion of the Bank, the Bank has insufficient time or is unable to act on such Instruction to cancel, vary or amend the original Instruction.

10. Limitations on Liability and Indemnity

10.1 The provision of the Investment Services does not constitute the Bank a trustee and the Bank shall have no trust or other obligations in respect of the Securities except those contained in these Terms and Conditions.

- 10.2 The Bank is under no duty to examine or verify the validity of the ownership of or title to any Securities and shall not be liable in respect of any defect in ownership or title.
- 10.3 Neither the Bank nor any of its market information providers shall be liable for any taxes or duties payable on or in respect of the Securities nor for the management of or any diminution in the value of the Securities.
- 10.4 The Bank shall not be liable for losses of any kind which may be incurred by the Customer as a result of the provision of the Services by the Bank in accordance with Instructions nor, in any other case (including without limitation any delay, error or failure in making available the essential features of a securities transaction as provided in Clause 5.3 of this section) unless due to the negligence or wilful default of the Bank or any other person appointed by it or their respective officers or employees.
- 10.5 The Customer shall indemnify the Bank, its market information providers, any other person appointed by it and their respective officers and employees against all claims, liabilities, damages, losses, costs and expenses of any kind which may be incurred by any of them and all actions or proceedings which may be brought by or against any of them in connection with the provision of the Investment Services and/or as a result of any default by the Customer in the performance of these Terms and Conditions (including without limitation to the generality of the foregoing, any costs incurred or actions or proceedings brought as a result of the Customer failing to maintain sufficient Securities in the Securities Account) and/or the enforcement of these Terms and Conditions unless due to the negligence or wilful default of the Bank, any other person appointed by it or their respective officers or employees and this indemnity shall continue despite the termination of these Terms and Conditions.
- 10.6 The Bank may at its discretion and subject to any conditions it may require agree to include in the Securities, Securities which are
- 10.7 not fully paid. Where such Securities are included in the Securities, the Customer shall indemnify the Bank and any other person appointed by the Bank against all claims, liabilities, damages, costs and expenses of any kind which may be incurred by them as a result. In particular (but without limitation) the Customer agrees to pay to the Bank on demand or as specified by the Bank the amount of any call received by the Bank or any such person in respect of any such Securities.
 - (a) It is the Customer's sole responsibility to handle and/or fulfill any local, overseas or worldwide tax issues, liabilities and/or obligations under all applicable laws (including, without limitation, tax reporting, filing relevant tax return(s), paying any applicable tax and dealing with any application for Tax Reclaim Arrangement) arising from or in connection with trading, holding, disposing of or otherwise dealing with Securities or investment via the Bank. Customers must seek independent professional advice from their own tax advisors to determine their tax position, liabilities and obligations in relation to the relevant Securities or investments. The Bank assumes no responsibility for advising on or handling such tax issues, liabilities and/or obligations nor will the Bank provide any service or assistance in this regard. In this Clause 10.7, "Tax Reclaim Arrangement" means any tax refund, tax concession, tax differences reclaim, preferential tax treatment or the like, including any tax credit or refund or a reduced tax rate or preferential tax treatment on interest, dividend, or any other distribution, proceeds or gains from any investment or transaction contemplated under this Section XI and any tax differences reclaim as a result of any change of nationality or domicile or tax residency.

- (b) In particular, the Customer agrees and accepts that, unless otherwise specified by the Bank, in no circumstances will the Bank or any of its nominees, custodians and/or agents be under any obligation or responsibility to apply for, or assist in the application for, any Tax Reclaim Arrangement that may be available to the Customer. The Customer agrees and accepts that neither the Bank nor its nominees, custodians and/or agents shall be held liable for the loss of Tax Reclaim Arrangement or any other losses, damages, costs and/or expenses incurred or suffered by the Customer in this regard.
- (c) Notwithstanding the above but without prejudice to the full force of the foregoing provisions, if the Bank so requests at its absolute discretion, the Customer shall complete, provide information, sign and file any tax forms, certificates or documents which the Bank or any of its nominees, custodians and/or agents is required by any tax authority of any applicable jurisdiction to submit in respect of the Customer in connection with any investment or transaction made on behalf of the Customer pursuant to these Terms and Conditions. The Customer agrees to cooperate with the Bank, its nominees, custodians and/or agents and provide the necessary information and assistance to them or any of them for such purposes.

11. Customer Representations and Warranties and Acknowledgements

11.1 The Customer represents and warrants as follows:

- (a) that the Customer is not resident or incorporated in a country where there is any restriction on the Customer's purchase of any Securities. If the Customer becomes resident in any such country or is otherwise subject to such restrictions, the Customer will inform the Bank immediately and will if so required by the Bank sell or redeem any such restricted Securities;
- (b) that the Customer when purchasing or dealing in any Securities will ensure that the Customer is not subject to, and is not acting on behalf of any person who is subject to any prohibition against the purchase or dealing in any such Securities;
- (c) that any decision to sell or purchase any Securities shall be based on the Customer's own judgment and that the Customer has relied upon information obtained by the Customer not on any advice or information provided by the Bank; and
- (d) that the Customer is acting as principal in relation to the Investment Services.

11.2 The Customer acknowledges the following risk disclosure statements:

(a) Risk of Securities Trading

The prices of Securities fluctuate, sometimes dramatically. The price of a Security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling Securities.

(b) Risk of Trading Growth Enterprise Market Stocks

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid. There may be risks arising out of the emerging nature of GEM Companies and the business sectors or countries in which the companies operate.

The Customer should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors. Accordingly, the Customer needs to have access to up-to-date information on GEM-listed companies as published GEM website.

Current information of GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. Companies listed on GEM are usually not required to issue paid announcements in gazetted newspapers. This risk disclosure statement does not purport to disclose all the risks and other significant aspects of GEM. The Customer should undertake the Customer's own research and study on the trading of Securities on GEM before commencing any trading activities.

The Customer should seek independent professional advice if the Customer is uncertain of or has not understood any aspect of this disclosure statement or the nature and risks involved in trading of GEM stocks.

(c) Risk of Client Assets Received or Held Outside Hong Kong

Securities that are foreign listed securities and are held outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction that may be different from the Securities and Futures Ordinance and the rules made thereunder in Hong Kong. Consequently, such Securities may not enjoy the same protection as that conferred on Securities received or held in Hong Kong.

12. Fees and Expenses

12.1 The Customer shall pay fees to the Bank for the provision of the Investment Services as is advised to the Customer by the Bank upon the opening of this Investment Services Account and as may be varied upon 30 days prior notice to the Customer.

12.2 The Customer shall also pay to the Bank all other expenses incurred by the Bank or any other person appointed by it in the provision of the Investment Services. A certificate as to the nature and amount of such expenses issued by the Bank shall be conclusive evidence against the Customer of such expenses.

12.3 Without prejudice to any other rights under these Terms and Conditions if any of the fees and expenses referred to in Clauses 12.1 and 12.2 of this section or incurred or owing pursuant to these Terms and Conditions remain outstanding after they have become due and payable:

(a) the Bank shall be entitled to debit automatically and/or set off against any account of the Customer with the Bank in or towards settlement;

(b) the Bank shall have a lien over the Securities which shall stand as security for such fees and expenses with power to sell by public or private sale on such conditions as the Bank thinks fit any such Securities in or towards settlement. Any proceeds of sale may be applied in or towards payment of the said fees and expenses.

The Bank's rights pursuant to this clause shall be in addition to and not in substitution for any other rights of a similar nature enjoyed by the Bank.

13. Power to Debit

13.1 In addition to any other rights the sums payable in respect of any transaction, including the payment of any fee payable to the Bank or any person employed by the Bank may be debited to the Cash Account and in the event that such debiting causes such account to be overdrawn then interest shall be payable at such rate as the Bank shall determine and shall in the absence of agreement to the contrary be repayable on demand. Any sale proceeds, dividend received by the Bank in respect of the Services shall be credited to the Cash Account.

14. Commission

14.1 The Customer agrees that the Bank may accept from any stockbroker(s) or underwriter(s) or any other third party engaged in any transaction authorised in accordance with these Terms and Conditions any rebate or reallowance of any brokerage or commission payable in respect thereof. The Customer further agrees that the Bank shall be entitled to retain any interest generated on any payment(s) made by/to the Customer pending transfer to the Cash Account (or any other account maintained by the Customer or any of them with the Bank) or to stockbrokers, underwriters and/or fund houses to effect an Instruction hereunder.

15. Termination of Investment Services Account

15.1 The provision of the Services may be terminated by the Bank giving not less than 30 days notice in writing to the Customer or by the Customer revoking its Authority by giving not less than 30 days notice in writing to the Bank.

15.2 The Bank may also by giving notice in writing to the Customer any time (save in the case of any event referred to in sub-clause (f) below when no such notice need to be given) on the occurrence in the opinion of the Bank of any of the following events exercise any or all of the rights contained in Clauses 15.3 and 15.4 of this section and/or terminate or suspend the Investment Services or any part thereof with immediate effect:

- (a) any breach of these Terms and Conditions by the Customer; or
- (b) any failure by the Customer or any of them to pay monies of whatever nature when due under these Terms and Conditions, to pay any purchase monies when due, or to pay when due any other monies payable by the Customer to the Bank of whatever nature; or
- (c) the filing of a petition in bankruptcy, winding up or the commencement of any analogous proceedings against the Customer or any of them; or
- (d) the levying of any attachment against the Cash Account or any of the Securities; or
- (e) any dispute or proceedings between any of the persons making up the Customer where there is more than one; or
- (f) any other matter or event including any regulatory requirement which in the opinion of the Bank renders termination necessary or advisable in the interests of the Bank.

15.3 On the occurrence of any of the events described in Clause 15.2 of this section the Bank may at its discretion:

- (a) cancel any outstanding Instruction(s); or
- (b) close any outstanding contracts entered into on behalf of or with the Customer; or
- (c) exercise any of its right under Clause 15.4 of this section.

- 15.4 As provided in Clauses 15.2 and 15.3 (c) of this section the Bank may at its discretion without prejudice to any other rights under these Terms and Conditions or any other agreements:
- (a) without prior notice to the Customer set off over or withhold any monies held to the credit of the Cash Account or resulting from the sale of any Securities in respect of any other monies due, owing or payable to the Bank by the Customer of whatever nature, including all sums payable pursuant to these Terms and Conditions;
 - (b) without notice to the Customer combine or consolidate the Cash Account with any other account(s) held by the Customer with the Bank;
 - (c) for the purpose of the exercise of any right under (a) and (b) above to sell or otherwise dispose of any of the Securities on such terms as the Bank may determine either to the Bank, its associated entity or a third person.
- 15.5 Any termination of the Investment Services Account and any withdrawals of the Securities, whether or not following termination, shall be without prejudice to the right of the Bank to settle any transactions entered into or to settle any liability incurred by the Customer under these Terms and Conditions or by the Bank on behalf of the Customer prior to termination.

16. Prices

- 16.1 Prices of Securities listed on the Hong Kong Stock Exchange are provided by The Stock Exchange of Hong Kong Limited and prices of unit trusts are provided by the related fund houses. While the Bank and its market information providers endeavour to ensure the accuracy and reliability of the prices quoted, no guarantee as to their accuracy is given and no liability (whether in tort or contract or otherwise) is accepted for any loss or damages arising from any inaccuracies or omissions.
- 16.2 Any price of any Securities quoted by the Bank in response to any enquiry by the Customer is for reference only and shall not be binding on the Bank or any of its market information providers. The Bank shall be entitled to act on any Instruction for the sale and purchase of any Securities even if the price of such Securities has altered to the disadvantages of the Customer between the time of receipt of such Instruction and the time at which the Bank or its agent completes any such sale or purchase.
- 16.3 No Customer who has obtained quotes of the prices of any Securities from the Bank shall:
- (a) disseminate such quotes (or any part thereof) to any other person;
 - (b) use or permit the use of such quotes (or any part thereof) for any illegal purpose;
 - (c) use such quotes (or any part thereof) other than for the Customer's own personal use; or
 - (d) use such quotes (or any part thereof) in relation to any trading or dealing of Securities otherwise than through the Bank.

17. Customer Consent to Lend Securities

- 17.1 In case the Customer expressly gives consent to the Bank to lend Securities owned by the Customer, the Bank shall remain fully liable for the return of equivalent Securities to the Investment Services Account of the Customer free of any encumbrances or liens of any nature.
- 17.2 The term of the Customer's consent to lend Securities under Clause 17.1 of this section shall be for a period of twelve months and may be renewed by the Customer's written consent on its anniversary for, in each instance, a further twelve months.

The Bank shall not be under any obligation to check the Exchange Rate Criteria elected by the Customer against the rates prevailing in the relevant foreign exchange market on a real time basis, nor to effect any currency transaction at such rates.
- 3.2 The Customer acknowledges that no warranty or guarantee is given by the Bank that the Bank will effect any transaction for the Customer pursuant to the ForEx Switching Service. The Bank may be unable to check whether the Exchange Rate Criteria elected by the Customer match the prevailing rates quoted by the Bank or to effect any transaction notwithstanding that the Customer's Exchange Rate Criteria have been matched due to the volume of instructions and transactions, market circumstances or other factors beyond the Bank's reasonable control which may be existing at the relevant time. The Bank shall not be liable for any loss or damage which the Customer may suffer or incur as a result of the Customer's Exchange Rate Criteria not being checked or matched or any transaction not being effected due to the above circumstances.

Section XVI Business Revolving Credit

Where the Customer has successfully applied for a business revolving credit facility (the "**Facility**"), the Customer will be notified by a facility setup confirmation letter (the "**Confirmation Letter**") upon approval and granting of the Facility. The use of the Facility will be subject to the following terms and conditions:

- 1.1 Subject to Clause 1.16 of this section, the Customer will be notified by the Bank of the approved limit of the Facility (the "**Credit Limit**"), and the Facility will be granted to a Business Integrated Current Account (the "**Facility Account**").
- 1.2 Once the Facility is approved and made available, the overdraft protection feature of the Business Integrated Account will not be available to the Customer.
- 1.3 A monthly non-refundable facility fee on the Facility in an amount calculated by multiplying the Credit Limit by the rate stated in the relevant business revolving credit application, subject to any alteration as provided in Clause 1.14 of this section, will be debited immediately upon approval of the Facility and subsequently on the same day of each succeeding month to the Facility Account. The Bank is authorised to debit the Facility Account from time to time in paying such facility fee when due.
- 1.4 Interest on the Facility will be charged and calculated at the interest rate stated in business revolving credit application. Interest will accrue on a daily basis on the debit balance outstanding under the Facility Account and shall be payable monthly in arrears by debit to the Facility Account.
- 1.5 A statement will normally be provided to the Customer on a monthly basis (on the statement date as referred to in the Confirmation Letter) and will detail the total amount outstanding on the Facility Account on the statement date (the "**Outstanding Debit Balance**") and the amount due ("**Minimum Amount Payable**") from the Customer, which will be the sum of any payment in arrears, unauthorised debit amount and the minimum monthly repayment, and the date by which payment must be made to the Bank (the "**Payment Due Date**"). The minimum monthly repayment will be the amount calculated by multiplying the Outstanding Debit Balance (or, if lower, the credit limit) by 4% or HKD100 (whichever is higher), subject to any alteration as provided in Clause 1.14 of this section. The amount of Minimum Amount Payable will be rounded, either up or down, to the nearest dollar. Payment of any part of Outstanding Debit Balance effected by cheque or other means will be accepted subject to the Bank's normal terms and conditions.
- 1.6 Without prejudice to the other provisions of these Terms and Conditions, if the Customer fails to pay in full the Minimum Amount Payable by the Payment Due Date, the unpaid portion will be included as payment in arrears and a late charge amount calculated at the rate of 5% of such unpaid portion or HKD100 (whichever is higher subject to the maximum of HKD500), subject to any alteration as provided in Clause 1.14 of this section, will be debited to the Facility Account after the Payment Due Date. The amount of late charge will be rounded, either up or down, to the nearest dollar.
- 1.7 In the event the Facility is cancelled, on the Customer's instruction, within the first 12 months from the date on which the Facility was granted, a facility cancellation fee of HKD500, subject to any alteration as provided in Clause 1.14 of this section, will be levied and debited to the Facility Account with or without prior notice.

- 1.8 If the total Outstanding Debit Balance exceeds the Credit Limit, interest will be charged on the excess amount at the rate of (a) 10% per annum over the Bank's HKD best lending rate where the Facility is subject to floating interest rate or (b) 22% per annum over the Bank's HKD best lending rate where is subject to a fixed interest rate, in each case (both before and after judgment) from the date the excess arises until the date of actual settlement. Such interest will be payable at such intervals as the Bank may determine and at any time upon demand by the Bank. In addition, the Bank reserves the right to charge an unauthorised overdraft handling charge of HKD120 (subjected to any alteration as provided in Clause 1.14 of this section) and this will be debited to the Facility Account.
- 1.9 Without prejudice to Clause 1.16 of this section, the Bank reserves the right to suspend further drawing of the Facility if the Minimum Amount Payable is not paid in full by the Payment Due Date.
- 1.10 All costs and expenses (including legal fees) incurred by the Bank in connection with the extension of the Facility and any matters arising therefrom are to be reimbursed by the Customer on demand. The Customer authorises the Bank to debit the Facility Account from time to time in paying any such costs and expenses when due.
- 1.11 Where the Customer is a limited company, as security, the Bank requires a guarantee to be provided to the Bank in respect of the approved Facility amount. Where the Customer is a partnership, it is agreed between the partners and the Bank that the partnership shall not be dissolved in the event of any of the partners retiring or ceasing to be a partner of the partnership or there being any change to the constitution of the partnership.
- 1.12 To comply with Paragraph 21 of the Code of Banking Practice and guidance given by the Courts, the Bank needs to obtain the Customer's consent before it can provide a copy or summary of the Facility, or information on the Customer's outstanding liabilities to the Bank, to any guarantor or other third party providing security (the "**Surety**") or to the Surety's advisors. In addition, if the Bank is obliged to make any formal demand for repayment because the Customer has failed to settle an amount due following a customary reminder, the Bank will also need to provide the Surety with a copy of its Demand Letter. Whether or not the Bank has made demand, the Bank will also need to provide the Surety with a copy of the latest statement of account and/or to give the Surety details of the Customer's outstanding liabilities to the Bank, whether actual or contingent. The Customer agrees to the Bank providing any of the aforesaid documents or information to the Surety, to the Surety's solicitors and other professional advisers. Where this consent is not given, the Bank will be unable to proceed with the transaction.
- 1.13 Section 83 of the Banking Ordinance has imposed on the Bank as a bank certain limitations on advances to persons related to its directors or employees. The Customer is required to advise the Bank whether the Customer, or any of its directors, partners, managers or agents, is in any way related to any of the Bank's directors or employees within the meaning of Section 83 and in the absence of such advice the Bank will assume that the Customer is not so related. Should the Customer, or any of its directors, partners, managers or agents, becomes so related subsequent to the date of this application, the Customer shall immediately advise the Bank in writing.
- 1.14 The amounts or percentage of fee, charges and interest rate applicable to the Facility will be as set out herein or stipulated in the Confirmation Letter or notified to the Customer by other means. The Bank reserves the right to alter such these Terms and Conditions and such amounts, percentage, fee, charges and interest rate, as well as impose new fee and charges, from time to time and may notify the Customer of such alteration or imposition in any manner it thinks fit. The Customer will be bound by such alteration or imposition in any manner it thinks fit. The Customer will be bound by such alteration or imposition unless the Facility is cancelled and repaid in full before the date upon which it is to have effect.

- 1.15 In case of any dispute in connection with the Facility, the Bank's decision shall be final.
- 1.16 Notwithstanding any other terms herein, the Facility which is granted on an uncommitted basis is subject to review by the Bank at any time and to the Bank's overriding right of suspension and withdrawal at any time. The Bank shall have an unrestricted discretion to determine whether or not to permit utilisation of the Facility or to increase or decrease the Facility Limit. The Bank further reserves the right at its absolute discretion to require immediate repayment of all amount outstanding on the Facility Account or with respect to the Loan, together with all accrued interest, at any time.
- 1.17 In the event of any inconsistency between the provisions of this section and the terms set out in the Confirmation Letter (as the case may be), the latter shall prevail.
- 1.18 In the event that the Customer maintains any other facilities with the Bank, unless otherwise specified by the Bank, such other facilities will not be affected by the granting of the Facility and all terms and conditions relating to such facilities shall remain unchanged.
